August 2019

Hi everyone, I am guessing that most Hunters are having a well deserved rest and their riders are staying warm and dry as these winter months pass.

Thank you to everyone who attended the Kaipara Hunt AGM held on Friday 16 August. Below is a list of our new committee.

With only about a week to go until the first day of spring its time to start planning our next Kaipara season.

Sunday Rides: These rides have been very popular this last couple of years, hosted by hunt members, you are taken on a ride for about 2 1/2-3 hours over country where that member lives and finish the day with a sausage sizzle, cold drink and social afternoon. Everyone is welcome bring your friends and neighbours. If you would like to host a ride or would like to know more, please contact. Poodle Oliver on 021 2424 103

Pakuranga Hunt Races

Lachie Peters and his pony Brahan Highland Fling (Flossie) ran a creditable 5th in the pony scurry wearing the Harding racing colours and flying the flag for Kaipara Hunt. Well done Lachie who reckoned he was pretty "nervous" before the race possibly because all the other jockeys were girls!! There were 12 that raced, Waikato Hunt won the race. The kids were all presented with certificates and goody bags from love racing nz and Pakuranga Hunt.

The Pakuranga Hunt Cup (4900 metres) and twice over the famed Ellerslie Hill had a very strong field of 14 steeple chasers. After a faultless display of jumping Lacustre, ridden by Shaun Phelan and trained by Samantha Logan (Donna's daughter) won by 5 lengths . Lacustre, apart from his trainer, has strong Northland hunting connections as included in his owners are Murray (Gramps) Darroch, Graeme Lemon, Sam Logan and the Optimism Syndicate who are all are Northland based, have hunted, drink lots of Speights and could be easily mistaken for pirates!! The first 3 horses were trained by women and the 3rd placed horse was ridden by Matt Cropp (Egmont Wanganui huntsman) .
