Hot on the Scent

Hi Everyone,

We are well into our extended Hunt Season with only 2 weekends to go until closing on the 28th June at the Hargraves Home Stead Oneriri RD Kaiwaka.

The weather continues to be kind to us and the footing has been great for jumping. Daf and his whips have been kept busy on hunting days with hare about at most properties with great runs enjoyed by all.

Thankyou to the members who supported our combined weekend with Northland Hunt at Jeffs/Thompson properties at Basin Rd Baylys Beach and also our great two day hunt at the Marlow/Blackwood properties at Pouto.

Also thankyou to those members who have brought visitors and have let me know before hand it is nice to be able to watch out for them and make them feel welcome.

A huge thankyou to Bruce and Albert for dealing with the Hunt House after the resent flood, thankyou to Peg for dropping everything and coming to the hunt rescue and getting the new drain and road work done.

Hopefully everyone can make the last few Hunts for the 2020 season.

Hot on the Scent

BITS AND BOBS

Thank you very much everyone who came and helped clean up the house after the flooding on Queens Birthday weekend. Great job and very much appreciated. The last of the blowers and dehumidifiers went today. The driveway, ditches and culverts are very nearly completed.

A great weekend at Pouto. Huge thank you to the Blackwood and Marlow families.

Not many hunts left to go but luckily for hunting the ground conditions are amazingly firm for mid June.

GO HARE

Daf

Win a Weber BBQ

There's still chance to buy raffle tickets for the weber BBQ, it will be drawn at the closing hunt. If you have been selling tickets, please bring them & the money collected for the closing hunt. and give them to Albert
