Kaipara Hunt AGM Report

9th October 2020

It is with pleasure I present this report as joint Master of Kaipara Hunt.

The year 2020 BC (before Covid) as I have heard it called certainly took us all by surprise.

At the end of 2019 planning for the new 2020 season was well under way, Daf and his hounds had started their fitness program and the hunt card was on the drawing board with Opening Hunt planned for the Sunday 29th March.

Little did we know what was around the corner an extremely hot dry summer and The Covid virus.

From then until we finally had Opening Hunt on Sunday 24th May at The Leaf family property at Ararua there was a lot of work went on behind the scenes. The New Zealand Hunt Association set out guidelines with many updates that hunts could work within and we were lucky enough to be able to enjoy a shortened hunt season.

A huge thankyou to those members who understood decisions had to be made and just went with the flow to enjoy what sport we had.

Hopefully 2021 will be a lot kinder to us all.

We are always on the look out for new properties to Hunt the best way to find these is by someone knowing someone, have a conversation with that neighbouring farmer ask them if you would mind one of the Masters giving them a call. The Kaipara area has become such a popular place to live I know it is not easy. Farms do change hands and new owners may be more interested than the old.

We are always on the look out for new members invite that person from down the road to our Sunday rides, show jumping evenings or annual trek. It is a great way to meet new people and perhaps not make it so daunting on a Hunt day when you see a friendly face.

I would personally like to thank Janine and Els for stepping up and helping me on Hunt Days a few small jobs taken off my hands makes a huge difference. Putting on a red coat does not give you any superpowers or make you any braver so thank you to the members who take the time to be supportive of what we do.

We are lucky here at Kaipara Hunt to have a dedicated president Bruce, secretary/treasurer Albert and great committee and members who individually contribute in their own way to make this Hunt awesome.

Thank you Val Nelson Joint Master
